LIMITED LIFETIME WARRANTY

We believe in happy customers, and therefore we will warranty our sunglasses for manufacturer's defects. This warranty does not cover normal wear and tear including, but not limited to, scratched lenses. Full warranty policy can be found at: www.opticnerve.com.

CAUTION

Optic Nerve Performance products are not industrial safety rated and should not be considered a permanent shield against eye injury. Do not use Optic Nerve eyewear for night driving.

ANSI STANDARDS

All Optic Nerve Performance SUNGLASSES provide 100% UV protection and meet the ANSI Z80.3 standards for UV protection, impact resistance and optical clarity.

All Optic Nerve GOGGLES meet ASTM ASTM F659-2010 and CE EN174 Standards

WARNING

This product can expose you to chemicals including Bisphenol A (BpA), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to: www.P65Warnings.ca.gov/product

MSRP \$149.00

Color Enhancement & Clarity

crisp color definition for an HD field of view

Tuned For Blue Light

designed to filter specific blue light wavelengths and reduce glare

- Designed with Pro Bass Fishers Chris & Trait Zaldain
- HD lenses optimized and tuned for visual acuity, detail enhancement, and unparalleled clarity
- Advanced oleophobic/hydrophobic lens coating that repels water, dust, and oil.

This lens is specially designed to meet the needs of every serious fisherman. An engineered polarized lens that can deliver a crisp blue light filter alongside high definition color enhancement - all in the name of finding and reeling in the biggest catches imaginable.

The lens is calibrated specifically for sport fishing and the lens technology has been honed to optimize performance on the water. Each color combination has been calibrated to deliver the same visual acuity, detail enhancement, and unparalleled clarity.

ECO FRIENDLY

Frame material G850 Castor Bean Resin

We've been making purposeful eyewear since 1976 and part of that purpose has always been our community and environment. From our solar powered warehouse to every pair of sunglasses we sell, we've thought about the environment.

We've been using an exciting castor bean resin (G850) for our premium sport product and in 2022 we introduced new sustainable materials like: 100% Natural Wood Certified by the Forest Stewardship Council (FSC), Recycled Water Bottles (PET), and Global Recycling Standard (GRS) plastic. Join us in protecting your eyes (and the environment) with Optic Nerve - learn more about our efforts to help the environment at: [opticnerve.com/sustainability](https://www.opticnerve.com/sustainability)

MSRP \$49.00 - \$59.00
