Salut

BM17-SALUT

The Salut shock pump is equipped with 1.6" gauge with pressure release button, ensuring precise air pressure adjustments. The threaded valve adapter screws onto a Schrader valve on the shock in one easy step and follows the same process when disconnecting.

The shock pump features Birzman's patented 'Air-lock' function, designed to prevent air loss when disconnecting the valve from the shock.

Birzman DNA

CNC CNC Machined

Capacity	400 psi / 27.6 bar
Gauge	1.6" gauge with pressure release button
Head	Air-Lock threaded valve head
Barrel	CNC machined aluminium
Size	23 x 3.6 x 4.8 cm
Weight	183 g
Patent	Taiwan I493105
