Crafted from an extremely durable Composite Matrix material, the Matrix Team Cage is engineered and tested to securely hold bicycle water bottles while offering both left and right side-loading action. Weighing in at just 36 grams, its minimalist one-piece design keeps weight low while maintaining optimal bottle retention. Compatible with all bicycle frames with standard bottle cage mounts, it performs flawlessly across all forms of riding, from gravel riding to mountain biking to road racing.

Available in ten color options: Black, White, Blue, Green, Red, Purple, Dark Gray, Matte Tan, Matte Army Green, and Neo Metallic (Special Edition).
