

JOE'S DISC BRAKE CLEANER

Home page > Products > MTB > Cleaners > Joe's Disc Brake Cleaner

Highly efficient, fast evaporating brake cleaner.

- Leaves disc brake rotors and pads perfectly clean and dry with no brake dust, oil, dirt or grime.
- Improves braking performance and re-hydrates lifeless brake pads.
- Perfect for cleaning bike suspensions and rims prior to gluing rim tape.
- Cleans a wide range of sticky greasy surfaces such as engine parts, tools, machine parts, etc.
- Will not harm metal, cloth and most types of rubber and plastic.
